

# EXCEPTIONAL BAPTISMALS

Custom Design. Extraordinary Durability.

For more than twenty years, Water Structures LLC has provided a full range of baptismal products and design assistance to Churches and the liturgical design community throughout the country.

# BAPTISMALS

Water Structures. Building quality baptismals since 1989.

From concept to completion, Water Structures LLC will work with your liturgical designer, architect or planning committee. We provide CAD drawings, guaranteed no leak custom fiberglass shells, professional baptismal equipment packs, installations, and continuing customer service.

You can learn more about Water Structures LLC custom baptismals by visiting us on the web at [baptismal-fonts.com](http://baptismal-fonts.com) or calling us at 800 747 0168, and we would be glad to discuss the exciting possibility of a custom baptismal with you.
